Mauro Pocobelli

UI designer, passionate about branding and illustration. Freelance at Il Sole 24 Ore and open for new collaborations. Currently I am focusing on their design systems to reduce costs and speed up the process, and to have more consistency throughout the products, which are steadily growing in number.

Work Experience

UI DESIGNER

Il Sole 24 Ore (Milan, 2019 - Present)

I work as a digital designer for the Il Sole 24 Ore, the main business newspaper in Italy. I'm in charge of different projects, collaborating with marketing, journalist and IT team. Occasionally I create illustrations for the newspaper.
